

# The Trinity

What does the term Trinity mean?

*The Trinity doctrine tries to explain the relationship between the Father, the Son and the Holy Spirit. It recognizes that they are separate and distinct people. It recognizes the divinity of each and acknowledges that there is only one God and so they must be intimately entwined with one another.*

What does Triune mean?

*This word is an adjective that describes God. It means 'three in one' which is a restatement of the Trinity doctrine.*

Can you think of an analogy that illustrates the Trinity?

*Some people use water (H<sub>2</sub>O) as an example of the Trinity, however, God is not a substance. He does not melt away or evaporate. All three members of the Trinity co-exist simultaneously from eternity to eternity.*

*Three Cricket stumps together make one wicket.*

*Man.*

Is man an example of a Trinity?

Yes.

What are the parts of man mentioned in [1Thes 5:23](#)?

*Man has a Body, a Soul and a Spirit.*

Who was man made in the image of?

*God.*

Do all the members of the Trinity co-exist together simultaneously from eternity to eternity?

Yes.

Why did God say "Let us make man in our image"?

*Because one member of the trinity was talking to the others.*

Who was the world made by?

*The world came into being at the word of God. God said "Let there be.... and it was so" Subsequently, the Word became flesh and dwelt among us. His name is Jesus. The creation of the world was the work of the son. Colossians even tells us that Jesus was there at the beginning and that the whole world was created through him. In fact the Bible says that all things still hold together through him. Given this, I don't know how anybody could question the divinity of Jesus.*
