

Justification

[Read Romans 4:25 Romans 5:16 & Romans 5:18](#)

What does justification mean?

What does righteous mean?

Is justification a process or is it all or nothing?

When does justification take place for us?

What is the relationship between justification and salvation?

What is the difference between righteousness and holiness?

What is the process that God uses to make us holy?

How was man justified under the Old Covenant?

Can many people be justified once and for all this way (by sin offerings)?

How is a man justified under the New Covenant?

Why is this so much better than the Old Covenant?
